Primary / High School Music Technology

Engadine Music's qualified Music Technology Consultant, Steve Brownjohn, is now available to offer FREE advice on computer systems, studio setups, specialised music soundcards and other hardware. Have a look at the latest software solutions that best suit your school and budget for music technology. Steve can also conduct training in all music software packages at **YOUR SCHOOL**.

Call or email for training pricing. Don't miss out on this great opportunity!

Simply FAX back this form, call or email and Steve will contact you to book your session.

Please select which software title(s) that you require training in.
